# Learn and Connect at the Summit

## The 2022 AFPM Summit: Excellence in Plant Performance is right around the corner!

The Summit delivers world-class technical sessions dedicated to improving plant-wide performance in the refining and petrochemical industries. Join and network with dedicated industry subject matter experts in San Antonio to discover the latest strategies and emerging innovations, and find immediate solutions to implement at the site level. With over 70 sessions, we guarantee to deliver the curriculum you need to succeed.

## Who Should Attend?

- Technical Managers
- Process Engineers
- Reliability Leaders
- Operations Managers
- Maintenance Leaders
- Process Control Leads
- Contractors
- Technical Licensors
- Turnaround Planning Managers
- Optimization Managers
- Digital Transformation Change Agents
- Emerging Leaders

## Why Should You Attend?

- Network with leading experts in your field
- Explore innovative solutions to technical challenges
- Learn about operationalizing emerging technologies and actionable solutions
- Come together to celebrate our industry's achievements
- Connect with your customers
- Collaborate with your peers

## Register Today!

We are so excited to once again, deliver the benefits of an in-person event! Participants can take advantage of 70 educational sessions along with many opportunities to network with peers. In addition, we're offering a completely new way to interact with our exhibitors. It won't look like any exhibit hall you've seen before. We can't wait to see you!

# Technical Expertise. Actionable Solutions.

# Program & Agenda Highlights

In addition to technical education sessions, The Summit offers opportunities for attendees to come together to learn from one another and celebrate our industry's achievements.

## Ethics Training presented by Valero Energy Corporation

Monday, October 17 | 2:30 PM CDT

Fulfill your PE requirement at this Ethics for Engineers session. This workshop will review engineers' roles and responsibilities in applying professional engineering ethics to their professional conduct. It is intended to provide the training needed to maintain a professional engineer's license in those states that require one hour of training per renewal period. AFPM will provide certificates of attendance to those who attend. There is no additional fee to attend the Ethics Workshop.

## Emerging Leaders and First Time Attendee Event

Monday, October 17 | 4:00 PM CDT

This event is for attendees new to the industry or new to AFPM. It gives attendees the opportunity to interact with senior leaders to familiarize themselves with the industry and what to expect throughout the conference.

## Welcome Reception

Monday, October 17 | 5:00 PM CDT

Join us at the Grotto and LDR at the adjacent Convention Center for one swashbuckling bang-up time! This is not your typical opening networking event. Be sure to arrive in time to reunite with everyone you've missed seeing the past couple years in a fun, casual environment, the perfect kick-off to our long-awaited inaugural Summit and the perfect precursor to the new era of convention collaboration.

## 2022 AFPM Lifetime Service Award

Tuesday, October 18 | 9:00 AM CDT

The General Session on Day 1 will include AFPM President and CEO, Chet Thompson, awarding the AFPM Lifetime Service Award to two of your industry colleagues. This year's awardees have made outstanding contributions to not only our industry, but also to AFPM for over 15 years. Congratulations to Willis Jernigan and Jeff Zurlo!

## Women in Industry

Wednesday, October 19 | 4:30 PM CDT

AFPM networking event for and by women.

## Customer Appreciation Breakfast

Thursday, October 20 | 8:00 AM CDT

This is a "must attend" special event, the first of its kind! Join our exhibitors and sponsors for a final farewell to celebrate both our inaugural Summit AND the return to face-to-face meetings. You'll be treated to a gourmet breakfast, an upscale swag bag, and a few extra surprises! Be sure to reserve your seat when you register. We promise you'll be glad you came.
