Experience a Convenient, Modern Approach to Customer Engagement

The 2026 AFPM Summit, Excellence in Plant Performance, is an interactive conference that provides attendees with tangible takeaways. Conference themes will highlight emerging technologies, sustainability, process safety, process technology, reliability and maintenance, operations, training, leadership, and digital transformation. The Summit is the only conference designed by and for the petroleum refining and petrochemical industries focused on improving plant-wide performance.

We stepped away from the traditional tradeshow experience in 2022 by creating “The HUB,” a place where a limited number of exhibitors could invite operating company attendees into their lounge spaces for engaging conversations to network and collaborate.

We also offered exhibitors alternative activation opportunities to host educational sessions in individual meeting rooms or host evening hospitality events in hotel meeting rooms or suites.

This format has been well received, and we will continue to build on this success by offering exhibitors similar exclusive opportunities in 2026.

We’re thrilled to host the Summit at the Gaylord Texan for the next four years, which ensures all sessions, meetings and exhibitors are located on the same level.

Why You Should Participate

- Secure a fantastic return on your investment by connecting with more target customers interested in your products and services. In 2025, 50% of Summit attendees represented operating companies.
- Reinforce and strengthen your brand influence within the refining and petrochemical manufacturing industries.
- Build lasting relationships within the AFPM Summit community.
- Connect directly with key decision-makers.
- Collect high-quality leads to bring new business to your company.
- Showcase new products, services, or case studies.
- Collaborate with more than 1,400 attendees to solve business challenges

Early Bird discounts are also available prior to February 27, 2026—take advantage now!

An Innovative Approach to Exhibiting

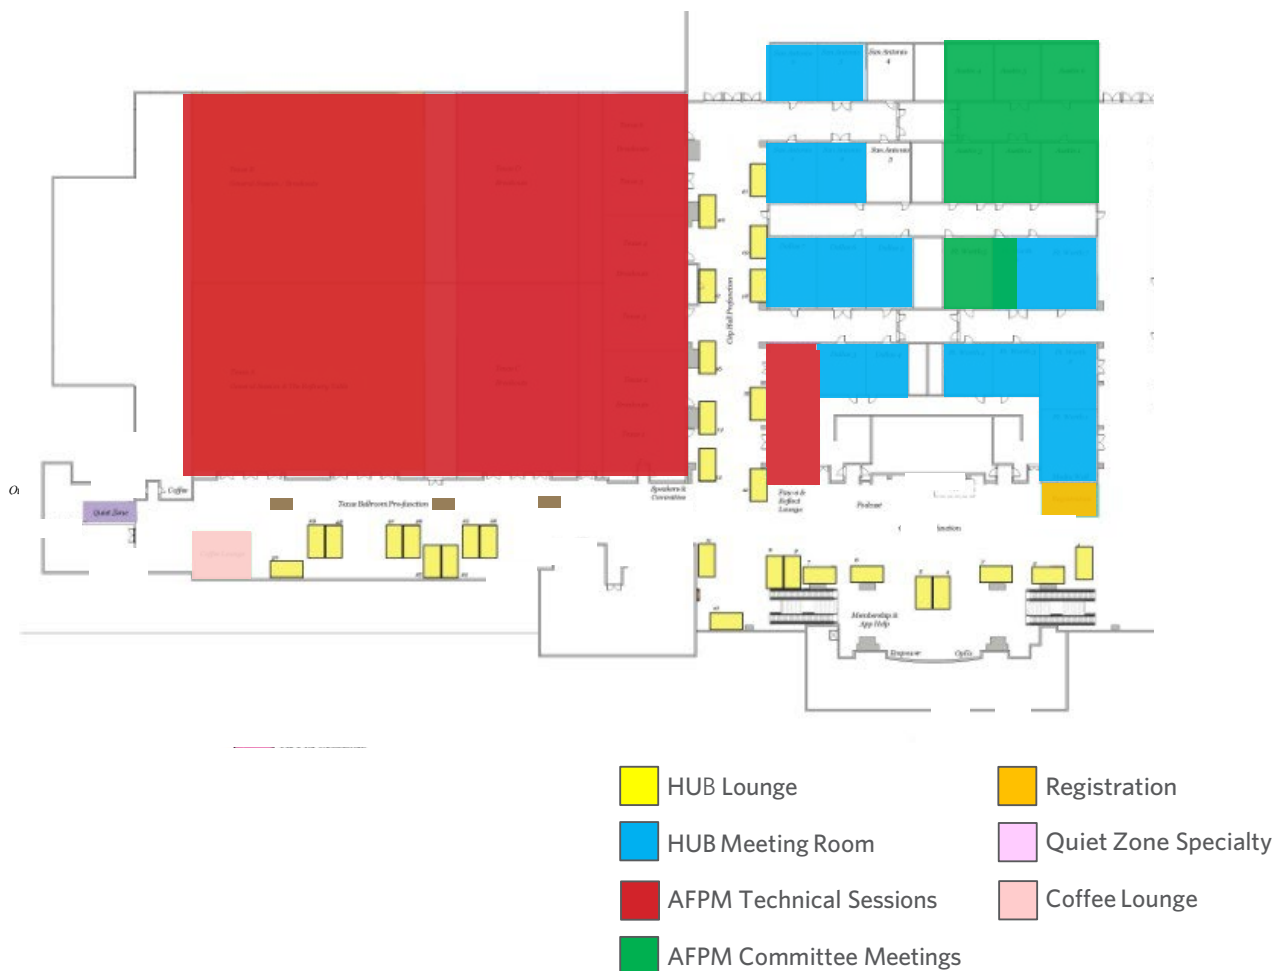

We've adopted a turn-key approach to exhibiting, allowing you to get more out of the experience without the lengthy, time-consuming, and costly process of shipping, installing, and dismantling your own booth. Your lounge is in the center of all the action in the HUB. Education sessions, meals, and breaks are just steps away from your lounge. Attendees will pass by your lounge many times throughout the day. No more waiting for a potential customer to find your booth. We are putting your lounge in the direct pathway of all attendees. Opportunities are limited so please act fast to secure your space. Early Bird pricing is available prior to February 27, 2026. Member companies receive priority status prior to **March 31, 2026**.

Early Bird Deadline: **February 27, 2026**

HUB Lounge Early Bird: \$15,000 Member/ \$17,500 Non-member

HUB Lounge Regular Rates: \$17,500 Member/ \$20,000 Non-member

The HUB Lounges are our alternative to the traditional in-line exhibit booth. Spaces are modern, turnkey, and promote conversation, education, and mini-presentations or video demonstrations and take place in the “HUB”, our central gathering place. Each lounge includes a custom logo back wall, lockable cabinet, standing cocktail round with two stools, two comfortable soft seating chairs, one side table, a 55” monitor, power, and one complimentary registration. No other display materials are needed or permitted. All you have to bring is your collateral and staff. We do the rest. No booth shipments, setup, dismantle, or auxiliary services to order. Create a sensory experience at your HUB lounge by ordering food & beverages directly with the Gaylord Texan by selecting this impact enhancement in your online application. Please note that no outside food & beverages are allowed. View the current layout for the HUB Lounge on [Page 5](#). *Note: HUB layout subject to change, pending Fire Marshall approval.*

HUB Meeting Room Early Bird: \$12,500 Member/ \$15,000 Non-member

HUB Meeting Room Regular Rates: \$15,000 Member/ \$17,500 Non-member

The HUB Meeting Rooms are located on the same floor as The HUB and AFPM educational content. You will be assigned a breakout room that is between approximately 550 – 840 square feet to use for your needs. AFPM highly recommends that companies who wish to obtain a HUB Meeting Room contribute to the educational content of the meeting by offering mini-education sessions, case study presentations, video demonstrations, or similar of any length. We request that these take place on Tuesday afternoon anytime between 1:30 – 4:45 pm, and/or Wednesday anytime from 8 am – 4 pm to supplement our regular programming. We ask that your sessions begin at the same time as AFPM content, regardless of presentation length. The possibilities are endless, and you may have as many educational sessions as you can fit during these blocks.

Sessions will be included in the app to promote your lounge. Additionally, you will have the opportunity to list one educational session in the main AFPM program agenda on Tuesday and one educational session on Wednesday. This is your time to shine and promote your latest projects. Additionally, the rooms may be used for networking, private meetings, or hospitality functions from Monday to Thursday. One complimentary registration is included. Please note that furnishings may be requested from the hotel, and audio visual and catering needs are additional. See blue highlighted rooms on right.

Hospitality Suites: \$2,500 Member/ \$5,000 Non-member + Nightly Hotel Room Rental Rate

This option consists of hotel suites on the guest room floors and includes one complimentary registration. It is a great choice if you want a completely private setting for private meetings or entertaining. The hotel suites are approximately 730 -1,500 square feet. Hospitality suite hosts are responsible for the hotel room night charge.

Please keep in mind, the hotel will not remove furniture from the suite. They will allow you to slightly rearrange the furniture to make the flow better, and audio visual needs and catering are additional. Check-in is at 4:00 PM and check-out is 11:00 AM for all suites.
