Learn and Connect at the Summit!

The 2025 AFPM Summit: Excellence in Plant Performance is right around the corner!

This year's Summit delivers topical keynote speeches that will have you leaning in, with over 95 best-in-class technical sessions focused on improving facility-wide performance in the refining and petrochemical industries. Join with get engaged in interactive sessions dedicated to the key strategies, latest innovations, and emerging technologies that will position today's refining and petrochemical facilities for operating excellence going forward. Network with industry subject matter experts and discover technical solutions immediately ready for implementation. Gain the knowledge you need to succeed and reach the Summit with us!

Who Should Attend?

- Technical managers
- Process engineers
- Reliability leaders
- Operations managers
- Maintenance leaders
- Process control leads
- Maintenance contractors
- Technical licensors
- Turnaround planning managers
- Optimization managers
- Digital transformation change agents
- Emerging leaders
- Mechanical integrity engineers
- Process Safety and Safety managers
- Facility technical, safety and environmental staff

Why Should You Attend?

- Network with leading experts in your field
- Explore innovative solutions to technical challenges
- Learn about operationalizing emerging technologies and actionable solutions
- Come together to celebrate our industries' achievements
- Connect with your customers
- Collaborate with your peers
- Enhance your technical knowledge and skills

Register Today!

Excellence in Plant Performance

Join over 1,400 of our industries' brightest technical minds. Explore cutting-edge technical sessions and unlock invaluable networking opportunities. Sign up today!

Spotlight: Emerging Leaders

Meet, learn and network with other emerging leaders, like-minded peers and industry leaders.

An event you won't want to miss.

Presentation of the Lifetime Service Award

Learn from and recognize two leaders for the outstanding contributions they've made to AFPM and the industries they represent.

Monday, August 25

2:00 - 4:00 PM
Emerging Leader Workshop: Leadership Q&A

4:00 - 5:00 PM
